This “expedition” encourages you to experience Costa Rica’s untamed nature to its fullest while enjoying the (in) famous nightlife of the city. This is a sport fishing-, whitewater rafting-, volcano conquering-, nightlife exploring-, adrenalin inducing-Odyssey; All this, with a dramatic background molded out of dense rainforests, towering waterfalls, raging rivers, smoldering volcanoes, and tropical beaches. Are you ready for the time of your life?

## Day 1 • Arrive in San Jose • “It’s getting hot in here”

Welcome to Costa Rica, land of sport fishing, adrenalin-inducing whitewater rafting, and no holds barred partying. Upon arrival, we’ll meet you at the airport and transfer you to the \*Hotel Presidente [www.hotel-presidente.com](http://www.hotel-presidente.com), situated in the center of the city, near the entertainment district. Relax in the afternoon and prepare for a “Welcome to Costa Rica” party like no other! First, we’ll head to Tango India [www.tangoindia.net](http://www.tangoindia.net), THE Strip Club of Central America. Party it up in a club that’s built around booze, babes and a real life plane. The girls of the club will ensure you will experience that hot Latin Blood first hand. The next stop is considered one of the most well known nightclubs in San Jose— Key Largo and The Blue Marlin Casino and Bar. Here, the boys will be separated from the men, as we take the partying to another level into the wee morning hours. We will not be held responsible for the miss-behavior of your friends.

## Day 2 • Travel to Jaco • “Taking it to another Level”

Recover from the previous night of debauchery, as we depart for Jaco Beach, a famous surf and party spot on the Pacific coast (about 2 hr drive). Upon arrival, check into the beach front hotel \*Copa Cabana Hotel and Suites [www.copacabanahotel.com](http://www.copacabanahotel.com) and relax by the beach. Or enjoy such optional activities as a canopy tour, an ATV excursion, or surf the awesome break!!! The evening is dedicated to the never ending parties of Jaco. Naturally, we’ll show you the Wild Side of Jaco; starting with a pub crawl like no other that will end the next morning.

## Day 3 • Sport Fish in Jaco • “Catch the Big One”

Cast off in the early morning for some of the best sport fishing action along the Pacific Coast; pursue game fish such as Black Marlin, Yellow Fin Tuna, Sailfish, and Roosterfish. There is nothing like the adrenalin rush of hooking a 60 lbs ‘Sail. After today’s fishing rodeo, we’ll start the evening with some fresh seafood, cold drinks, and good music. Then experience those hot Jaco Fiestas.

## Day 4 • Visit an Active Volcano • “You ready for more???”

Experience an active volcano, on your way to San Jose. A tour of the mighty Poas Volcano offers you a-once-in-a-lifetime experience:—to walk the crater edge of an active volcano! After immersing yourself with seismic activity, you will find pure pleasure relaxing over an Imperial Beer, unwinding by the \*Hotel Presidente Bar [www.hotel-presidente.com](http://www.hotel-presidente.com), preparing for the next (in) famous Costa Rican party night.

## Day 5 • Raft the Pacuare • “Sleep... we don’t need no sleep”

This activity is for those that know how to party and can handle it!!! Depart midday for your half day whitewater rafting adventure. Get ready for an adrenalin kick as you descend the rapids of the Naranjo River. From the moment you head your sturdy raft down river, your senses will be engaged in high gear as you scan the rapids ahead and follow the directions shouted out by your guide. Take lots of spectacular pictures to show the relatives back home all the “wholesome” activities you and your friends undertook. Since this is your last night, we party it up “Tico” Style!!

## Day 6 •Return to Home •

### “It ain’t over till it’s over”

Time to relax and get back to sanity as you and your friends relax over a Sunday Brunch and review the previous nights and events (and get your stories straight for your significant others). P.S., make sure you erase the “incriminating” evidence from your digital cameras. In the afternoon, head back to the airport for your return flight to the US, with a smile on your face and another chock full of memories of you and your closest friends having a good time in Costa Rica.
